**Submissions Due:** March 1, 2013

**Author Notification:** April 10, 2013

**Camera Ready Due:** April 24, 2013

The 11th International Conference on Applied Cryptography and Network Security (ACNS 2013) will be held in Banff, Alberta. The Call for Papers can be found at [http://acns2013.cpsc.ucalgary.ca/call\\_for\\_papers](http://acns2013.cpsc.ucalgary.ca/call_for_papers). In addition to the traditional academic track, the conference also has an **Industry Track**. The industrial track will consist of presentations and tutorial sessions. Tutorials cover current techniques or best practices in applying cryptography and network security techniques to computer and information systems.

**Submissions from industry are strongly encouraged.** Submissions to the Industry Track may focus on new visions, industrial challenges, case studies or reports on experiments and implementations, or deployment of real-world systems or policies. Papers accepted to the industry track will be included in a booklet that will be distributed at the conference.

**Participation in Industry Track is strongly encouraged.** ACNS 2013 welcomes participation of members of the industries with interest in practical aspects of information security.
